

Dear Referee,

Thank you in advance for your cooperation as you are being requested to reviewing the following paper for *Asian Journal of Inclusive Education (AJIE)*. This is a significant responsibility and you are considered as member of a scholarly community who would provide critical as well as constructive feedback on the manuscripts.

You have been selected to referee the paper attached with the e-mail.

To referee papers, the process is as follows:

- Please download the Editor's Letter and the manuscript from the e-mail sent to you from the editors and Read the guidelines mentioned in the letter for the reviewers.
- Read the "Guideline for Authors" attached with this letter.
- Read the paper and complete the referee report-form within this document. It is useful to the author that you explain the rationale for your views in detail.
- You can make annotations to the paper if you wish by using 'Track Changes' function in MS-Word.
- Attach the completed report to your e-mail along with the reviewed paper and send it back to the Editor at editor@ajiebd.net

Guideline for Reviewers

Please review the papers objectively based on intellectual merit of the manuscripts. You are receiving an unpublished manuscript. Therefore, please keep the confidentiality of those papers and destroy the papers after you complete your reviews. If you feel that the topic of the paper is not relevant to your field of expertise, please do not hesitate to send it back to the editor. If you are concerned with any plagiarism or copyright issues, please notify the editor immediately. Please do not hesitate to contact me by email if you have any questions about the refereeing process.

It is expected that you will return the reviewed paper with reports within **two weeks**.

Thank you for your cooperation and contributions.

Yours Sincerely,

Professor M. Tariq Ahsan, PhD
Editor, AJIE
